Tool Description

Padlet has taken the idea of the notice board and made it digital. Unlike a physical notice board, Padlets can be populated with rich media, including words and images as well as videos and links too. Everything can be kept private, made public, or shared with a specific group.

The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the Commission cannot be held responsiÂble for any use which may be made of the information contained therein.
