Tool Description

Zoom is now a well known video conferencing/meeting system which offers the possibility to create small groups during a video conference/meeting (breakout rooms). Zoom and other video conferencing tools like (Microsoft Teams and Google Meet) can meet a wide range of communication needs when it comes to Digital Social Impact projects. Educators can use it to deliver traning sessions to students, students can use it for internal communication in their digital social impact project teams, educators and students can use it to communicate with and virtually visit their social engagement partners.
