?Discussing Digital Social Impact at Biha? Faculty of Economics

Description

On the 11.2.2022, EFOS team members presented the Digital Social Impact project at the University Biha? Faculty of Economics in Biha?. EFOS team members presented current project activities and preliminary project phase 1 research results during the meeting. Representatives of the Faculty of Economics in Biha? showed their interest in the project as they see the potential for final project results due to the current situation in Bosnia and Herzegovina.
